

## 2010 Patron Scheme

The DFC Trust are delighted to announce details of the 2010 Dundalk FC Patron Scheme.

The DFC Patron Scheme has been the DFC Trust's most successful fundraising initiative. Since its launch the scheme has raised €85,000. The revamped Patron Scheme aims to build on that success. The DFC Trust have introduced a flexible membership option for the year ahead. This recognises the fact that many of our original members found it difficult to maintain their involvement in the scheme last year due to financial constraints. As the Patron Scheme's objective is to be an affordable method of supporting the club on an ongoing basis we have reduced the base level of our membership rates and allowing members to set their own rates. It now costs as little as just €4 per week to support this venture while Gold level membership rates have also been reduced. We have also introduced a Platinum Membership level that we hope Dundalk fans find attractive.

As part of an overall review of DFC Trust operations, the Patron Scheme will also become more transparent. Members will be able to view the latest membership and financial information via a secure area of [dundalkfc.com](http://dundalkfc.com).

The DFC Trust would like to thank everybody who has contributed the Patron Scheme since its launch. We are very grateful for your support. We hope that if you have left the scheme that you will be able to rejoin and that our current members continue to give their support. If you are already a member you will be contacted with information to allow you to decide to stay at your current rate or to avail of the new offer. We also hope that our members can help promote this scheme among friends and family. If every Patron Scheme member signed up just one extra member it will make a huge difference to our football club.

DFC Patron Scheme, Oriel Park, Carrick Road, Dundalk.
